

McT Auction Ticket Reservations

Auction Night: March 24, 2012 at 5:30 pm
Butternut Farm Golf Club, Stow

The McCarthy-Towne Auction is a community-building event with many dedicated volunteers. It is also a social event that is a lot of fun for those who attend. Above all, the Auction is a fund-raiser that raises a large sum of money to directly support the McCarthy-Towne faculty and our children. We are proud of the amazing success of past auctions and want the 21st Annual Auction to exceed expectations! The PTSO does not make any money from ticket purchases as the money goes directly to the venue for dinner, appetizers and use of the facilities.

BE A PART OF THIS YEAR'S MARDI GRAS AUCTION EVENT!

Join us at this year's auction where you can meet new people, catch up with old friends, be involved in the McCarthy-Towne community and support our school!

We hope to see you there!
